The First Roundabout in the County to Open Soon

LaGrange, Ga. August 8, 2017 – The first roundabout in the City of LaGrange at Country Club Road and Broad Street is expected to open by the end of the month.

While Troup County Schools start on Thursday, August 10th, law enforcement want to remind you to be safe and slow down in this area.

Piedmont Paving, Inc. representatives say they plan to have the roundabout project completed by the end of the month.

According to Sgt. Del Armstrong with the LaGrange Police Department since the roundabout is new to LaGrange, law enforcement want you to know about the rules of the road.

“First, as you approach the roundabout – you must yield to the drivers already in the roundabout and always drive to the right when entering the roundabout. As you exit, you should use your turn-signal to alert the driver behind you,” Armstrong advises.

A roundabout gives motorists a safe, clog-free drive through an intersection to allow the flow of traffic to continue moving through the intersection with no stopping and it’s safer too.
